

Hall of Fame/ Hall of Shame

In June of 2007, Representatives McGovern of Massachusetts and Lewis of Georgia introduced an amendment in Congress that would have cut funding for the School of the Americas, now renamed WHINSEC (SOA/WHINSEC).

The Hall of Fame includes 203 Members of the House who stood up for human rights and voted for the amendment. The Hall of Shame includes 214 Members of Congress who fell for SOA/WHINSEC propaganda or caved in to the intense Pentagon pressure.
